

REMARKS

In the above referenced Office Action, the Examiner requested an election of species from the following groups:

1. Isometric views of galley cart (figures 1A, 1B, 2, 3, 5 and 6), and
2. Galley cart door (figure 4).

In response, the applicant elects the species of Group 1 without traverse. Non-elected claims 9, 10, 21, 22, 28 and 38 have been withdrawn.

Accordingly, the applicant has elected to begin prosecution with examination of claims 1-8, 11-20, 23-27, 29-37 and 39-42.

Upon allowance of the generic claims, applicant expressly requests consideration of claims to additional species which are written in dependent form or which otherwise include all the limitations of the allowed generic claims. Presently, at least claims 1, 15 and 24 are generic.

No fees are believed due with this communication. However, the Commissioner is hereby authorized and requested to charge any deficiency in fees herein to Deposit Account No. 50-0665.
